

## **Double Your Impact Before September 22!**

A \$10,000 Match Challenge is underway to benefit Potter County, but time is running out! Thanks to the generosity of Wanda Shirk, every dollar you donate to the Potter County Community Impact Fund will be matched dollar for dollar through September 22, 2025.

Your gift helps provide vital support for:

- Crisis relief & basic needs
- Health & mental health care
- Youth & education programs
- Public safety, arts, environment & more

Give \$50 — it becomes \$100. Give \$500 — it becomes \$1,000.

Make your donation today and help meet Potter County's most urgent needs with twice the impact.
